---

## Summary

Experienced Technical Engineer and Software Developer with over 8 years of expertise in cloud infrastructure, backend/API development, IT support, and end-user computing. Proficient in Microsoft 365, Azure Cloud Services, .NET technologies, and data engineering tools like ElasticSearch and Azure Data Factory. Skilled in system integration, platform implementation, and desktop support services. Strong background in multi-tenant security, compliance, and automation using AI-driven solutions. Committed to delivering efficient, scalable, and secure systems across diverse industries.

---

## Career History

### Technical Engineer | Marco Payroll

*Nov 2024 – Mar 2025 (5 months)*

- Led the implementation of a cloud-based platform, managing IT deployment and presenting technical solutions to clients.
  - Oversaw system infrastructure, including Xano (backend), Vercel (frontend & domain), and Azure AI Services for AI-driven automation.
  - Managed data storage and processing using Azure Blob Storage, Azure AI Search, and OpenAI.
  - Supported integration with SAP SuccessFactors, Oracle, and Power BI for payroll and HR data processing.
  - Ensured data residency compliance with regional regulations and implemented security measures for multi-tenant environments.
  - Addressed security and compliance concerns raised by partner audit teams.
  - Assisted in the preparation for Office 365 SSO integration.
  - Created and maintained a platform knowledge base and user guides.
  - Developed case studies and training materials for platform administrators and users.
- 

### Software Developer | CMG

*Feb 2024 – Oct 2024 (8 months)*

- Designed and developed server-side logic and APIs using .NET technologies for LHDN e-Invoice API and NetSuite API integration.
- Built SaaS integrations with third-party platforms using C# and .NET Framework.

- Developed and optimized stored procedures for data transformation and loading.
  - Designed and implemented RESTful APIs with seamless database integration.
  - **Skills:** C#, Visual Basic, .NET Framework, SQL, JSON
- 

### **Senior Analyst | Avanade**

*Oct 2022 – Jan 2024 (1 year 4 months)*

#### *ElasticSearch Implementation (Data Engineer):*

- Developed custom data pipelines to ingest, transform, and index large volumes of data into ElasticSearch.
- Implemented ETL processes for structured and unstructured data processing.
- Integrated Azure Data Factory, Databricks, and Azure Storage for scalable workflows.
- **Skills:** SQL, Python, ETL, Databricks, Azure Data Factory, Azure Storage

#### *Mobile App Development (Application Developer):*

- Designed, built, and configured mobile and web applications using ASP.NET MVC, C#, and JavaScript.
  - Developed responsive UIs and managed CI/CD pipelines with AWS CodeCommit.
  - Designed and optimized MySQL Server databases for application performance.
  - **Skills:** ASP.NET MVC, C#, HTML, CSS, JavaScript, AWS CodeCommit, MySQL Server, SQL
- 

### **Desktop Support Specialist | E2open Development Corporation**

*Sep 2017 – Sep 2022 (5 years 1 month)*

- Provided desktop support for Windows environments, troubleshooting hardware, software, and network issues.
  - Installed, configured, and maintained computers, printers, mobile devices, and company applications.
  - Managed user accounts, access permissions, and password resets through Active Directory and Microsoft Intune.
  - Deployed software updates and patches using SCCM and maintained endpoint compliance.
  - Escalated complex technical issues to higher-tier support and monitored system alerts.
  - Maintained IT documentation and developed user-friendly support guides.
  - **Skills:** Microsoft Azure, Active Directory, Microsoft Intune, SCCM, Sophos, Microsoft 365, PowerShell, Windows Server, SharePoint
- 

### **Service Desk Analyst | IBM / DHL / ATOS**

*Mar 2015 – Aug 2017 (2 years 6 months)*

- Acted as first point of contact for IT support via phone, email, and ticketing system.
  - Troubleshoot and resolved basic IT issues; escalated complex cases as needed.
  - Managed user accounts, configured new equipment, and supported Office 365 and VPN access.
  - Documented support activities and contributed to service desk process improvements.
- 

## Technical Skills

### Cloud Platforms & Services:

- Microsoft Azure, Azure AI Services, Azure Blob Storage, Azure AI Search, OpenAI (Azure OpenAI Service)
- AWS CodeCommit, Vercel (Frontend & domain management), Xano (Backend database platform)

### IT Infrastructure & Systems:

- Windows Server Administration, Active Directory, Microsoft Intune, SCCM, SharePoint

### Security & Compliance:

- Data Residency Compliance, Multi-tenant Security Architecture
- Office 365 SSO Integration (Preparation & Support)
- Security Policies, Audit Support, Password Management, Access Control

### Software & Applications:

- Microsoft 365 (Exchange, Teams, SharePoint Online, OneDrive)
- Microsoft PowerShell, Power BI (for HR/Payroll Reporting)

### Support & End-User Services:

- Desktop Support and Troubleshooting (Hardware, Software, Network)
- Technical Support via Phone, Email, Chat
- System Monitoring and IT Asset Management
- IT Documentation and Knowledge Base Management

### Soft Skills:

- Client Presentation & Communication
  - Technical Documentation Writing
  - Training Material Development
  - Cross-functional Team Coordination
  - Problem Solving and Process Improvement
-

# Languages

- Bahasa Malaysia
  - English
- 

# Education

## **Bachelor of Computer Science (Software Engineering)**

Universiti Tenaga Nasional (UNITEN) | Graduated: 2013

---

# Licenses & Certifications

- ITIL Foundation Certificate (Axelos) – Jun 2021 (Current)
- Microsoft Azure Data Fundamentals (Microsoft) – Jan 2023 (Current)
- Microsoft Certified: Power Platform Fundamentals (Microsoft) – Dec 2022 (Current)
- Microsoft Azure Fundamentals (Microsoft) – Aug 2021 (Current)
- Professional Certificate in Data Science (HarvardX) – Dec 2020 (Current)

## **Expired Certifications:**

- Microsoft Azure AI Engineer Associate – Expired Jun 2024
  - Microsoft Azure DevOps Engineer Expert – Expired Mar 2024
  - Microsoft Azure Developer Associate – Expired Dec 2023
  - Microsoft Certified: Power BI Data Analyst Associate – Expired Oct 2022
  - Microsoft 365 Modern Desktop Administrator Associate – Expired Aug 2022
-
